

## ② Salt and Sand Storage Sheds, Spilt Storage and Palletized Salt Storage

With a corrosion resistant salt storage building from Britespan, store and protect salt and sand from the elements, while reducing caking and runoff. Britespan fabric structures are engineered for optimal operating height, allowing you to maximize cubic storage space while minimizing the overall cost per ton stored.

When you buy a Britespan fabric building, you automatically get support from our network of local experts. Dedicated to you, our dealers are experienced in providing support from project inception through completion.

---

"Our building has allowed us to achieve the lowest cost per ton so far. We use Britespan buildings to store all of our county's salt and sand to keep our roads as safe as possible."

---

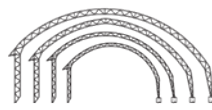

# Building Styles

60' - 160' wide

Magnum Series  
66', 73' and 80' wide

Apex Series  
53' - 100' wide

## The Britespan Advantage

### Natural Light & Ventilation

With bright, natural lighting and abundant ventilation inside, a Britespan fabric building provides a comforting environment.

### Wide Open Interiors

With no interior columns, you can maximize useable storage space and easily maneuver heavy equipment and vehicles.

### Engineered Solutions

All of Britespan's structures are uniquely engineered to meet specific weather conditions and building codes.

### Speed of Construction

Utilizing a pre-engineered and modular design, all of Britespan's fabric structures are built faster than conventional buildings.

### Corrosion Resistant

Britespan trusses are hot dip galvanized, post fabrication, to prevent any rusting, providing lifelong corrosion resistance.

### Local Support

When you buy a Britespan fabric building, you automatically get support from our network of "Local Experts".

## Replacement & Repairs

Cover replacements require precise fit and proper cover installation techniques. Our expert installation crews work from original drawings and specifications to provide you a cover that meets or exceeds the original specifications. With local dealers and industry experts across North America, Britespan is there when you need us.
